

## **The Susan B. Hudson Memorial Scholarship**

**Amount of scholarship: \$250**

Bruce and Sue established Hudson's Photography in 1982 and together photographed over 1,000 weddings. They also presented over 100 programs to photographic organizations all over the world!

In February 1996, Sue Hudson lost her battle with cancer at the age of 41. She was an incredible wife, partner, and most importantly mother to her children Josh and McKenna.

Sue touched people's lives like no other. Her beauty, humor, wisdom, and passion for life will always be missed...but never forgotten! Today at Hudson's Portrait Design, Sue's legacy lives on through every image created!

We miss you every day. Thank you for your inspiration that drives us to strive for perfection and only settle for excellence in both life and business.
